This money has been used to help with the purchase of some essential resources to make the groups fun and safe for the children whilst attending, however an additional £573.40 has been spent on parties, trips, Christmas gifts and Easter Eggs. If anyone has any other ideas on how our fundraising money could be used to benefit the children in future please speak to a committee member, toddler rep or the preschool staff.

Vouchers and Coupons

These generate lots of resources for the children so whilst at the checkout of the local supermarket please collect the vouchers for us. Whether this be in Tesco, Sainsbury or Morrisons these all go to good use in providing resources for the children. We also collect Nestle Cereal box tops please hand these in too!

There is a collection box in both the Toddler rooms and Pre-school.

Whats more the children love posting them into the box when they get to school!

Do you have an unwanted Bumbo or Fire Guard?

This is an appeal to any parents who may have a Bumbo or Similar that they no longer require. We have quite a few little tots at toddlers and a few mums have said how much these would be valued.

If you can help please contact a rep or committee member. Thanks.

Also at the Toddler rooms you will notice that the boiler could do with a better enclosure. If you have a large guard that you no longer need that would do the job a treat, again please contact a rep or committee member.
